United States Senator Mike Braun's Office will be hosting a Veteran Days event on **July 28, 2023 (Friday)** at the **VFW Post 972** in **Terre Haute, IN** (1111 Veterans' Square, Terre Haute, Indiana 47807).

This is an opportunity for Veterans, Active Military, Members of the Guard, and their families along with other constituents to receive assistance through our office's many services. Our programs include but are not limited to **federal agency assistance**, where our office acts as a liaison between constituents and a federal agency such as The Veterans Administration, Department of Defense, Internal Revenue Service, Social Security Administration, United States Citizenship and Immigration Services, and more.

Our services also include providing **service academy nominations**, where Senator Braun recommends some of Indiana's most talented and skilled Hoosiers to attend the United States Military Academies. We also assist constituents in requests for those wishing to have a **flag flown** (payment required) over the U.S. Capitol or requests for those planning **tours** in the U.S. Capitol, White House, Library of Congress, U.S. Supreme Court, or the Bureau of Engraving and Printing. Attendees are also welcomed to come voice their views on matters in Congress, Federal Government, and Washington D.C.

Please contact Jacob Harkin at **Jacob_Harkin@braun.senate.gov** with questions regarding this event.
