

Free Physical Therapy Evaluation for Individuals with Neurological Deficits

Who are we looking for? Individuals with functional limitations due to Neurological Diagnoses such as stroke, multiple sclerosis, spinal cord injuries, Parkinson's disease, etc.

Why volunteer? By participating in this program, you would contribute to the professional development of future physical therapists while gaining insights into your own condition and its management.

When? September 19, 2023

If you or someone you know is interested please contact Dr. Maria Osborne at maria.osborne@indstate.edu or (812) 237-2347 to request more information about the program, the expectations, and scheduling. Dr. Osborne would be more than happy to address any questions or concerns you may have.

Thank you for your consideration and potential involvement.
