Rarely are we gifted a moment of pause, to take stock and reflect on our past in relation to our present. In this invitational exhibition *View/Mirror*, co-curated by Tanmaya Bingham and Ian Carey, a select group of Indiana State University MFA alumni exhibit their current artwork adjacent to their former artwork which is on loan from the ISU Permanent Art Collection. Both the alumni and the viewer can engage in this reflective and subjective comparison to highlight potential artistic development and simultaneously honor the individuality of each piece.

LOCATION: *exhibitions are free and open to the public!*
