

What is happening?

OIT will be removing Yuja content that has not been viewed in two years on Friday, May 31, 2024 to reduce the unused data storage. Please access Yuja through Canvas and review your My Media content library. If there are items that you wish to retain, you may choose to download your Yuja video files to your OneDrive account or a local computer using these instructions: [How to Download a Yuja Recording](#)
