Hi Trang,

I have attached the approval of dissertation defense form. It is to be signed **after** you have successfully completed your dissertation defense.

Have we put your announcement in the ISU communication yet? If not, the announcement should include the following information:

1. Student name
2. Type of defense (thesis/dissertation)
3. Title of project
4. Committee member names
5. Date and time of defense
6. Location of defense

- a. If the defense is in-person, include the building and room number
- b. If the defense is conducted virtually, include the link to the meeting and password for entry (if necessary)

The announcement must appear once in ISU Today at least three *calendar* days before the defense date.

Wishing you the best!

Viola

Subject: Dissertation Defense

Hi Viola,

I hope this email finds you well. I plan to defend my dissertation on Wednesday, May 15th, from 1:00 pm - 2:30 pm (CT). Is there a form that needs to be filled out after the completion of the defense? Also, is there any other information you would need from me.

Thank you for your help so far! I really appreciate it.

Sincerely,
Trang Horn
