**HAUNTED LEGENDS  
OF VIGO COUNTY**

They say the greatest legends are a little bit fact and a little bit fancy; the best part is that you get to decide which is which. Just in time for Halloween, join Suzy Quick, Curator of the Vigo County History Center, as she retells the haunted legends of Vigo County. From Stiffy Green to the Ghosts of ISU's Condit House, Suzy uncovers the stories behind the legends and exposes the unknown. Just beware, sometimes the truth can be more terrifying than fiction!
