*Evening and Saturday Classes

Final examinations for all 5pm or 5:30pm and all evening classes which begin at 6pm or later that meet once a week are scheduled at 7pm during finals week on the day of the week the class normally meets. Final examinations for 6pm or later classes that meet more than once per week are scheduled for 7pm during finals week on one of the regular meeting days of the class. It is the decision of the instructor as to which of the regular meeting days will be used for the final examination for 6pm or later classes that meet more than once a week. Saturday classes will conduct final examinations during the regular meeting time on the last meeting date. Distance education courses are also required to administer final examinations during final examination week.

During Summer, final examinations are on the last scheduled class day.
