For detailed information, visit: indstate.edu/express/registration.htm

To register, login to your MyISU Cloud: myisu.indstate.edu

Having trouble registering? Call the Office of Records and Registration at 812-237-2020.

Important Information:

You should consult with your academic advisor prior to registration. Be sure to review your degree audit and map prior to your advising appointment. Continue to monitor your University email and the student alerts on your MyISU account for information about your registration status. If a registration override is required, please contact your Academic Dean's Office for more information.
