(ISU DPT staff members)

Razom's Emergency Response is the SOS button that is pressed in times of need. We created this project to provide urgent help and support in face of an extreme and unforeseen situation in Ukraine. Today, the sovereign nation of Ukraine has to deal with the most horrendous and catastrophic emergency – a brutal invasion. Razom is responding to this by providing critical medical supplies and amplifying the voices of Ukrainians.

Want to help the Ukraine but you don't know how?

Indiana State University's Doctor of Physical Therapy students are collecting donations to send to Razom.

The Razom Emergency Response may include, but is not limited to, the following activities:

- Fundraising for emergency needs
- Partnering with organizations in Ukraine and abroad
- Purchasing and delivering essential equipment and goods
- Translating important documents and sources
- Sharing vital information
- Volunteering on the ground
