

New Microsoft Teams Desktop App Update for All ISU - Jan. 29, 2024, 9 AM

The OIT Unified Communications Team will be updating to the newest version of Microsoft Teams on Monday, January 29, 2024 at 9 AM. This update will apply to any computer on which you use your ISU login (Windows and Macs). This update is being done ahead of Microsoft automatically updating all users to the newest version of Teams after March 31, 2024.

Please contact the OIT Technology Support Center by calling 812-237-2910 or contact Unified Communications at [Telephone/Unified Communications - Report an Issue](#)
