

Chloe Simma-Martin

All Things That Are

Duration 3/3 - 4/4/25 Reception 3/20/25 - 4-6pm

All Things That Are, Chloe Simma-Martin's Master of Fine Arts thesis exhibition, consists entirely of photogravure prints that invite viewers to question the nature of perception. Through the subtlety of the medium, the works illuminate what often goes overlooked, creating a dialogue that challenges perspective and engages synergy. By focusing on simple yet profound elements like shape and tone, the prints emphasize the contrasts of life and encourage a deeper connection with the surrounding world. The exhibition asks viewers to pause, observe, and reflect on the quiet moments that define existence.
